**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is key to the quality and cost of internet. I chose Sonic as my internet provider for both of those reasons -- they are able to provide stellar service at reasonable cost. The fiber service they provide is the best in San Francisco. They are a small ISP and would be hurt by this regulation. Please keep internet competitive for local providers.

Thank you!
